Events and Calendar Planning for 2020 Classified Senate Calendar. Staff Appreciation Webinar. Activity Planning for Classified Staff.

Committee Reports President's Report: Update on College Council and Staff Recognition Webinar. **Dr. Coon spoke about possibly freezing open positions moving into the fall semester.** College of Marin receives about 89% of funding from property taxes, which may help to stabilize the situation. **All summer classes and most fall classes will be online.** There will be 10 community ed classes. Possible on-site teaching might look like this: 6 students / 1 faculty member to a classroom. Moving forward the administration will work to figure out which services for students will be available on site (library and other student spaces). We have to figure out how to practice social distancing when students have to come on campus; and we will follow Marin County Health Department guidelines for social distancing, masks, use of hand sanitizer at every door, are some examples. **If you are planning to go to the campus, fill out on campus visit form.** The maintenance department will then come in and sanitize the space after you leave. Gardeners will be on rotation, and custodians will be working 4 hours per day.

Treasurer's Report. No updates to budget.

Governance Committee Reports None.
