Inform BOT on the
Goals, Objectives &
Priorities of
Governance Groups

Goals

- Identify what Goals your group would have for the District's new Facilities Master Plan.

In summary: a Goal is the object of a person's/group's ambition or effort; an aim or desired result.

Objectives

- What would your group identify as key objectives that would need to be accomplished during the completion of this Facilities Master Plan?

In summary: objectives are the individual actions you need to take to achieve a goal. When working towards accomplishing a goal, often you'll have objectives you must complete along the way.

Priorities

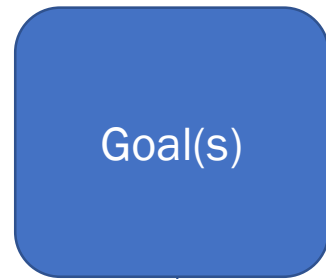

- How would your group or prioritize your ideas/objectives for the new Facilities Master Plan?

Some examples: prioritization based on equity & diversity & inclusion, health & safety, campus beautification, wellness, student success, Strategic and Educational Plans, other?

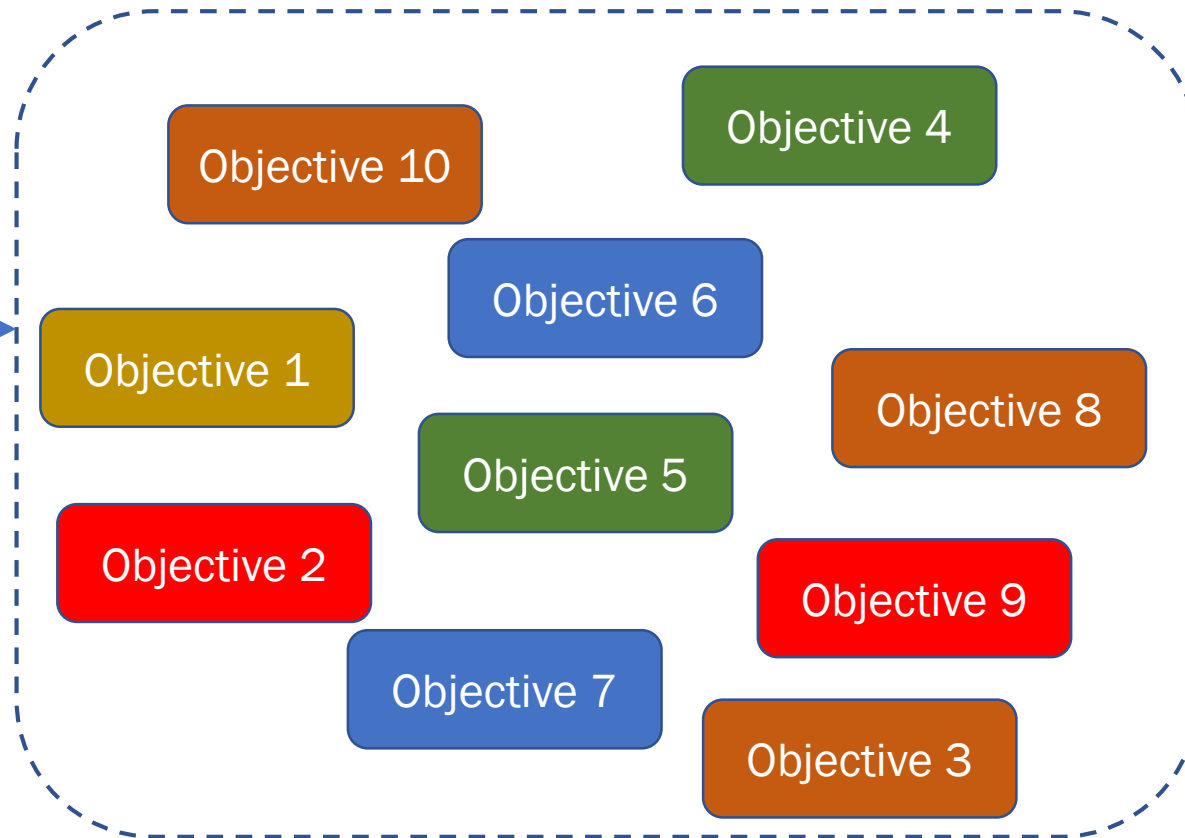

Process Outline

Identify Goal(s)

Identify Objectives

Prioritize Objectives

*Prioritize based on
governance group
suggested criteria*

Achieve Goal

What is next?

- **Compile list of goals/objectives/priorities from governance groups**
- **Attend another governance group meeting in May 2022**
